RE: Water Right No. 45-12773

Dear Property Owner(s):

We have been advised that you may be the current owner &/or water right holder of the property associated with the water right(s) referenced above. The department recently mailed the enclosed correspondence, which was mailed to the current owner on record, Alma C Clark, Anne Clark, & Elizabeth Clark. However it was returned to us by the Post Office. The Post Office did provide a forward address for Alma C Clark, and as a courtesy, a copy of the letter dated January 12, 2017 has been sent to her again.

But after further research it was discovered that the property may have changed ownership. Enclosed is additional information, for your review. Before we can modify our records to reflect proper ownership of this water right, we need to have the enclosed Notice of Change in Water Right Ownership form completed. Please follow the instructions attached to the form and return to this office with all of the required information.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Denise Maline
Administrative Assistant
