Subject: Application for Permit No. 86-12048
Attachments: LegalNotice 01-20-17 MP e-mail 86-12048.doc

Good morning, Karen,

Please publish the attached legal notice in the Moscow-Pullman Daily News, on the dates indicated, February 2 and 9, 2017 (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready – for 2-column, 8pt, Dutch 811 font. Maybe even close enough to just copy and paste, with very little modification required.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 2/20/2017. Your cooperation is appreciated.

It is ALWAYS a pleasure to work with you. Thanks for all your great help.

RE: Application for Permit (Increase in Irrigated Acres)

Dear Ms. Hixson:

Your Application for Permit is under Review at our office. I discussed a possible increase in irrigated acreage for your Application with Mr. Hixson during a telephone call earlier this week.

Please be advised that your current Application must be amended if you want to increase the irrigated area. Idaho Department of Water Resources (IDWR) will continue processing of your Application in its current form, to include scheduling of required legal notices, if we have not received an Amended Application from you by **January 18, 2018**.

Please contact me at (208) 762.2816, or at the address shown above, for assistance if you desire to amend your current Application for Permit.

Respectfully,

Shaun M. Maxey
Sr. Water Resources Agent
Idaho Department of Water Resources, Northern Region

Enclosed are the amended application specifying irrigation for 10.5 acres (previous application was for 1.1 acres), and a check for the well upgrade fee of 150⁰⁰ as per your letter 12/12/16.
