**STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES**

A license examination fee is not required in connection with permits which use a ground water (well) source **AND** have a total rate of diversion of 0.04 cfs or less or where the total volume stored is 4.0 AF per annum or less.

A license exam fee is required for ANY permit which uses surface water.

The license examination fee is based on the storage volume (acre-feet per year or AFY) or on the diversion rate (cubic feet per second or CFS). For permits proposing both a diversion rate and a storage volume, determine each fee separately and pay the greater of the two.

Checks should be made payable to the Idaho Department of Water Resources (IDWR).
