RE: Change in Ownership Water Right No. 11-4072, 11-4073, 11-4074 & 11-4075

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Filing Fee:** The filing fee is \$25.00 per water right for an ownership change not resulting in a division of the water right or \$100.00 per water right for a split. According to the information received two of the water rights listed above will require a split. The water right place of use includes property in the SWNE of Section, and according to the documentation received you do not own any property in that quarter quarter. Because the ownership change will result in a split and additional fee is required, the additional fee is \$150.00. This is the second request a copy of the previous letter is attached.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
