Michael,

Please leave the 208 acre POU separate from all other water rights involved in the transfer.

Thank you,

Subject: KBC transfer question

Hi Greg.

James brought something to my attention this morning that I had not previously considered. Because right 35-14308 had the same 6154 acre PPU as the other 38 rights in the transfer, I assumed that KBC wanted to combine the 208 acres with the 3434 acres from the other 38 rights in the PPU. It did not occur to me that it may have been KBC's intent to keep right 35-14308 separate from the other 38 rights. Please let me know the applicant's intent on this matter. Thanks.
