Re: Funk Transfer

Dear Mr. Cefalo:

The Lance and Lisa Funk Partnership desires to add an additional point of diversion to water rights 35-14081, 35-14084, 35-14089, 35-14092, 35-13608 and 35-7914. A transfer application for this purpose has previously been submitted to IDWR.

The transfer also proposed to update the ownership of water rights 35-7914 and 35-13608. Diane Benson Funk is listed as an owner of 35-7914 but Diane Funk is deceased. Please remove her name from the ownership of the water right.

Attached to this letter is a \$25.00 check from Brockway Engineering to cover the IDWR expense of changing the current owner name of 35-7914 to Lance and Lisa Funk Partnership.

Sincerely,

Greg Sullivan, M.S., Engineer
