

MEMORANDUM

Date: December 13, 2016

To: Transfer 81299

From: Kerrie Mathews

Re: Transfer Evaluation

Transfer No. 81299 proposes to add a point of diversion to water rights 33-24, 33-25, 33-26C, 33-27, 33-28, 33-29, 33-36C, 33-39A, 33-40A, 33-115 and 33-10999. Currently, the rights describe a point of diversion from the Little Lost River in Section 4, T05N, R29E. The added point of diversion is a gravity pipeline system diverting from the Little Lost River in Section 30, T06N, R29E. Pancheri already diverts water rights 33-44 thru 33-37 through the pipeline system.

Authority to file:

All of the water rights are currently in the name of Pancheri Inc. The current place of use is in the name of Pancheri Inc. The application was signed by Rod Pancheri a representative of Pancheri, who has signature authority for the company.

Validity of the Water Right:

Water rights 33-24, 33-25, 33-26C, 33-27, 33-28, 33-29 and 33-115 were decreed on March 8, 2002.

Water right 33-36C, 33-39A and 33-40A were decreed on August 11, 2000 and 33-10999 was decreed on March 7, 2002. Aerial photography shows consistent irrigation. Forfeiture does not appear to be an issue.

Injury to Other Water Rights:

No injury to other water rights was identified. The application was advertised, no protests were received. The water master for WD33 was notified of the transfer and did not provide comment.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issues identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this transfer application.
