Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing a security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Rhea,

Good morning!!

I have a refund request as follows:

Receipt number: E042305
Amount: \$25.00
Payable to: First American
223 N 15th Ave
Pocatello ID 83204

Reason: Total filing fee received \$1075.00 for an ownership change and security interest application. The security interest could not be added to one of the water rights, it was sold to another owner in 2015. Therefore a partial refund is required.

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.

Have a great day!!!

Jonie Barg
