RE: Permit No. 94-8280

Dear Permit Holder(s):

Per my telephone conversation with Shirley Dietz on January 3, 2017, and upon review of the proof of beneficial use (proof) statement the Department received from you on December 14, 2016, it is my understanding that you have been pulling water at a rate of 0.20 cubic feet per second (cfs) from the river to irrigate. The \$50.00 filing fee that was received with your proof form was applied for the review of your proof form. Your proof form was found to be deficient.

Department records do not show a water right permit for irrigation beyond the ½ acre of irrigation allowed under this domestic use permit which is for 4 RV sites. You may apply for another water right to cover any additional acreage for irrigation use. Application forms are available from any department office, or at the department's website at: www.idwr.idaho.gov

It is also my understanding that you wish to file a Request for Extension of Time (extension) form for five (5) more years in order to complete the development of the groundwater well to be used for domestic purposes for 4 RV sites not exceeding a ½ acre of irrigation. Please submit a \$50.00 filing fee when submitting your extension form. I am enclosing a Request for Extension of Time form for your use.

A water right in the permit stage is considered to be personal property of the permit holder of record with the Department, and this permit is currently in the names of Eugene Deitz, and/or Ken Chariton, and/or Teresa Chariton. An "Assignment of Permit" form is required to make the change in ownership of this permit to Deitz Living Trust. Since this permit includes the words and/or between the permit holders' names, it can be Eugene Deitz that signs the Assignment of Permit form. Enclosed for your use is an Assignment of Permit form.

If you have any questions, please contact me at 208-287-4945.

Sincerely,

A handwritten signature in blue ink that reads "Darla Block". The signature is fluid and cursive, with the first name "Darla" and last name "Block" clearly distinguishable.
