Subject: Application for Permit No. 94-9464, 95-17237, 95-17239, 95-17240
Attachments: LegalNotice 12-27-16 CDA e-mail 94-9464, 95-17237, 239, 240.doc

Hi, Holly,

Please publish the attached legal notice in the Coeur d'Alene Press on the dates indicated, January 5 and 12, 2017, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately. This should be very close to press ready – it is set for 2-column, 8pt, Century Old Style font. I believe this is close enough for copy and paste, with little modification.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press. Would it be at all possible to get the proof/preview copy this afternoon? I will be out of the office until next Tuesday. If not, then early Tuesday could work in case we need any minor modifications.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 1/23/2017. Your cooperation is appreciated.

It is *always* a pleasure to work with you. Thanks for all your super help, and have a terrific happy but safe New Years Eve celebration.

Dianne Ball

Application For Permit No. 95-17239

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 1/5/2017 and 1/12/2017. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Shaun M Maxey
Senior Water Resource Agent

Subject: RE: Application for Permit No. 95-17239

Hi, Kiira and Mike:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of each of the applications is attached for your reference.

These are being prepared for publication in the Coeur d'Alene Press on January 5 and 12, 2017 with January 23, 2017 being the last day for protests to be received in our office.

Your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact this office if you have any questions regarding the application.

Sincerely,

Dianne Ball

Re: Water Intake Application L-95-S-3114C (Almquist) Kootenai parcel (0-K478-0011-001-0)

Dear Mr. Ahmer:

Idaho Department of Water Resources (IDWR) has recently reviewed your August 26, 2016 E-mail concerning a Water Intake Application for Kootenai County parcel 0-K478-0011-001-0. The Applicant (Almquist, Scott) has not filed a Claim with IDWR in the Coeur d'Alene Spokane River Basin Adjudication (CSRBA) or filed a water Right Permit Application for use of water from Coeur d'Alene Lake.

IDWR has reviewed the Application for Encroachment Permit and finds no conflict with other water rights. There are no other active Water Rights currently on record with IDWR that appear to be adversely affected by an Encroachment Permit at the proposed location.

IDWR will contact Mr. Almquist to notify him about the CSRBA and the Application for Permit process.

Please contact Shaun Maxey at (208) 762.2816 or at the address shown above if you have additional concerns.

Sincerely,

Shaun M. Maxey
Sr. Water Resource Agent
