RE: Change of Ownership for Water Right Nos. 72-7420

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s). The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Hi Trish,

I am still waiting for a copy of the deed from Joyce. She has been home bound and waiting for her Son to assist her. She is in her 80's and doesn't get around very good. We are both Trustees so you might as well leave her as a partial owner if that's possible. Please let me know if you need anything else. I have been working on this for over a year and it has been very difficult to say the least. Thank you so much!

Good morning Shirley,

I was processing the ownership change notice you submitted on water right 72-7420 to me last month and find I have one question. It is not clear to me what happened with Joyce Chesney's share of the water right. I am assuming from the new name of the trust that she deeded her share to the 'Bert' part of the trust. If this is indeed the case, is there a deed that states as much. I will need some kind of documentation in order to show The Chuck Chesney and Bert Chesney Family Cabin Trust as the sole owner of the water right, or should I leave Joyce on the water right as partial owner. Thank you very much and I wish you a most wonderful holiday season.

Re: Change of Ownership for Water Right Nos.

Enclosed you will find documentation needed for changing the ownership or in this case updating the records for our water right. The original owners have created a Family Trust and would like the water right to reflect the New Owners/Claimants as: The Chuck Chesney and Bert Chesney Family Cabin Trust.

Please let me know if you need anything else.

Thank You for your Assistance,
