RE: Change of Ownership 29-13581, 29-13588, 29-13594, 29-13600, 29-13606, 29-13612 & 29-13618

On November 30, 2016 Brett Prather came into the office to complete a Notice of Change in Water Right Ownership.

On December 16, 2016 the information was processed and Acknowledgement Letters were mailed. While scanning I noticed that the application was not signed.

Brett Prather came into the office on November 30, 2016, submitted the application, evidence of ownership and payment via check with his signature. Missing the signature was a mistake and the intent of the applicant was to submit the ownership change.
