Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) permit to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

RE: Water right permit no. 96-9634

Dear Water Right Holder,

On December 5, 2016 the Department received an ownership change for the above mentioned water permit. Because this is a permit and not a water right, the Department requires the following:

1. A completed *Assignment of Permit* submitted to our office with Mr. Freeman's signature

Because a fee was submitted for the ownership change, the Department can modify the receipt and apply the fee towards the Assignment of Permit once the paperwork has been submitted. If the Department does not receive the Assignment within 30 days of receipt of this letter, we will refund the fee and return all documentation.

If you have any questions, please contact our office.

Sincerely,

A handwritten signature in blue ink that reads "Natalie Steading". The signature is written in a cursive style with a large, looped 'N' and a trailing 'g'.
