RE: Ownership of Water Right 35-13333

Dear Property Owners:

It was brought to the Department's attention, that you may be the current owner of the property and water right referenced above. A copy of the water right proof report and map is enclosed for your information and convenience.

Before we can modify our records to reflect your ownership of the property and the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee. I have enclosed a copy of this form for your convenience.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. **Failure to report these changes could result in a \$100 late filing fee.**

I have also enclosed a copy of the Final Order on Reconsideration ("Order") requiring installation of measuring devices for ground water rights and diversions within Water Districts 31, 34, 100, 110, 120, 130, and 140. This order was sent on July 22, 2016 to the water right owner of record listed on water right 35-13333.

If you have any questions regarding this matter, please call me at 208-287-4933

Sincerely,

Steven Visosky
Water Resource Agent, Sr.
