3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

Remington Buyer
Idaho Department of Water Resources

Dear Mr. Buyer:

We are hand delivering 19 Applications to Lease Water Rights to the Idaho Water Supply Bank (Bank) for Water Right Numbers 71-00041, 71-00042B, 71-00043B, 71-00049B, 71-00050, 71-00059, 71-00061, 71-00064B, 71-00066, 71-00068, 71-02004D, 71-02053A, 71-07002, 71-10277, 71-10278, 71-10728, 71-10766, 71-10772 and 71-10871. These water rights have been in the Bank since 2009 and the current lease expires on December 31, 2016. We are also providing the associated filing fees in the total amount of \$4500.00.

In these new Applications we are seeking a 20 year term for the lease. Although the form suggests a 5 year maximum we understand that the Idaho Water Resources Board has approved longer periods of time in certain cases. We believe this would be the most efficient period of lease for these rights.

Regarding item 4 (G) in the Applications, we describe the documentation that demonstrates how the water right has not been lost through forfeiture. Rather than attaching hard copies of all those documents that are already on record with the Idaho Department of Water Resources we have attached the document listing for reference. If additional documentation is needed please let us know and we will provide that to you.

We also want to advise you that we filed Change of Address forms with the IDWR Southern Region for each of these rights on November 7, 2016. We are attaching those to this letter to ensure that the current address for these water rights is in place.

We appreciate the opportunity to continue working with the Department and the Board to lease these water rights to the Idaho Water Supply Bank. If you have any questions please contact Jamie Gough, Water Rights and Uses Program Manager at 801-625-5809 or jgough@fs.fed.us.
