

MEMORANDUM

TO: Water Right Permit File # 95-16370

FROM: Darla Block

DATE: December 22, 2016

SUBJECT: Change in Address Form submitted with Proof of Beneficial Use

On December 21, 2016, the Department received Proof of Beneficial Use along with a Change in Address form. The change in address form contains two (2) water right numbers which are 95-16370 and 95-10069. Water right #95-10069 is an Adjudication Recommendation in the name of Rick Bomar.

Upon further investigation into the rights belonging to Red Fir Water Association, I discovered that water right #95-10069 listed on the change in address form should've been listed as 95-10059.

However, I called and spoke with the permit holder to verify the address for these records. The permit holder does not want the address of record with the Department to change. Even though there is a different address listed on the Proof of Beneficial Use form, the address of record for both of these rights is to remain 9789 E Hwy 54 Athol ID 83801.
