**WATER RESOURCES
WESTERN REGION**

Water District # 65

Application # Transfer No. 81069

Applicant Name Randy R. &/or Amy Heffner

Watermaster Recommendation:

- a) I do not oppose approval of this application.
- b) X I do not oppose approval of this application if it is conditioned as follows:

The water rights associated with this transfer application are junior in status and rely upon mitigating with a lease of stored water to allow full season usage. No water shall be diverted under the associated water rights after June 15th of each year without a preapproved mitigation lease of stored water from the watermaster.

The water rights associated with this transfer application are subject to annual Water District Assessments and storage water lease Rental Pool fees.

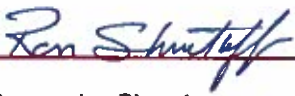

- c) I oppose approval of this application for the following reasons:

- d) X Additional comments:

To accomplish accurate and equitable accounting of water diverted from the point of diversion under this transfer request, the applicant shall install a measuring device approved by the watermaster and accomplish water usage monitoring and reporting approved by the watermaster.

Nonpayment of rental pool fees or annual assessments will result in denial by the watermaster to approve mitigation lease of stored water for full season operation.
