Re: Change of Ownership for Water Right/Permit No(s): 75-13948 and 75-13950

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Please note that the ownership of water rights 75-14444 and 75-14446 were **NOT** updated. The deed you provided did not include the land appurtenant to these water rights. I have enclosed the water right reports for these water rights for you benefit.

Since the ownership of water rights 75-14444 and 75-14446 was not updated, a refund of \$50 has been requested and will be sent to you under separate cover from the Idaho State Controller's Office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley
