Re: Brooke and Stacy Holtman Expansion Acre Curtailment WR 43-10539,
43-10541

Dear Mr. Erickson:

Brooke and Stacy Holtman received notice of curtailment of the expansion water rights: 43-10539 and 43-10541. The acreage listed in Appendix A of the final order matches the partial SRBA decree of the water rights, and reflects a total expansion acre liability of 153.6 acres. The Holtmans filed a petitions for reconsideration in which the expansion acres required to be curtailed was demonstrated to be 79.5 acres (Correspondence dated September 1st, 2016).

Curtailment for 2017 will be 26.5 acres, or 1/3 of the total expansion acre liability. Please refer to the enclosed map for identification of the 2017 expansion acreage that will be curtailed.

The Holtman Farm is within a PPU, and the POU changed for 2017. Please update the 206 map with the enclosed POU map.

Sincerely,

Hattie Zobott, P.E.
