RE: Notice of Ownership Change in Water Right No's:

67-7356, 67-7397, 67-356A & 67-4109

Dear Applicants,

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Water Right No. **67-7397** cannot be changed as the water right was not claimed and was disallowed during the Snake River Basin Adjudication (see attached documents).

Water Right No's. **67-356A** and **67-4109** cannot be modified without further documentation. The location of these water rights is Township 16N, Range 1W, Section 2, Lot 2 and NWNE / Township 17N, Range 1W, Section 35 and SWSE. The deed that you have provided only specifies to Township 16N, Range 1W, Section 3, SENE (see attached documents and map).

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact this office at 208-334-2190. A refund had been requested and will be sent to the payer under separate cover.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad Jones', with a long horizontal flourish extending to the right.
