Re: City of Nampa – Water Right No. 63-32835

Dear Shelley:

Thank you for your thoughtful letter of November 21, 2016. The City of Nampa appreciates the Department's accommodation regarding the submission of further documentation in support of licensing Water Right No. 63-32835. This documentation effort entails an analysis of the interaction between the City's potable and non-potable systems. That analysis is underway now. I anticipate that we will ask for a meeting with you to discuss the City's approach sometime early next year.

Meanwhile, enjoy the holiday season.

Sincerely,

Christopher H. Meyer
