RE: Ownership Change for Water Right No's: 63-31793 & 63-31807

Dear Applicants:

This is a follow up to the letter submitted on October 31st, 2016. The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient documentation.

The following was either not submitted with the notice or needs some clarification.

- Neither water right can be modified without further documentation. The location of 63-31793 & 63-31807 is Township 4N, Range 2W, Section 20, NWSE and SWSE. The deed that you have provided specifies 11 different parcels, but does not include this location.
- Provide original signatures and dates on the Notice of Change in Water Right Ownership Change form. Based on the application received, it appears that the previous owners signed the application rather than the new owners. If this is an error, please confirm the signatures are correct if the application is resubmitted.

Because the Department cannot process this request at this time, we are returning the application and all attachments. You may submit this form with the required documentation and fees at any time. A refund has been requested and will be sent to the payer (FIRST AMERICAN TITLE CO) under separate cover.

Thank you for your cooperation, if you have any questions please contact this office at (208)334-2190.

RE: Ownership Change for Water Right No's: 63-31793 & 63-31807

Dear Applicants,

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined the form was not completed and additional documentation is needed to complete this request.

Please complete and submit the requested documentation listed below:

- Water Right No's. 63-31793 & 63-31807 cannot be modified without further documentation. The location of these water rights is Township 4N, Range 2W, Section 20, and NW1/4SE1/4 & SW1/4SE1/4. The deed provided specifies locations of 11 different parcels that do not include this location.
- Provide original signatures and dates on the Notice of Change in Water Right Ownership Change form (a copy of your notice is enclosed for you to sign and return). The signatures included on the application show the names of Calvin & Clint Low, general partners of Town Ranch, LP. Town Ranch, LP is the seller/previous owner of the water rights. A representative(s) of Sunroc Corporation needs to sign and date the application.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation. If you have any questions please, contact this office at 208-334-2190.

Sincerely,
