Proof Report

- Director to rescind approval of the transfer.
4. 004 This right does not grant any right-of-way or easement across the land of another.
 5. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 31.
 6. T07 The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
 7. N08 The quantity of water decreed for this water right for stockwater use is not a determination of historical beneficial use.
 8. R43 The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
 9. T19 Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
