CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 34.
2. This right shall be junior and subordinate to future water rights authorizing the diversion and use of water from the Big Lost River and its tributaries, including ground water, for consumptive uses, except that this right shall not be subordinate to future water rights for similar wildlife, recreation and/or aesthetic uses.
3. Wildlife use is for a fish ladder, allowing fish passage around the 6X Ranch Diversion.
4. The right holder shall not divert water at a rate exceeding what is reasonably necessary for the beneficial use authorized by this right.
5. Use of water under this right shall be non-consumptive.

State of Idaho
Department of Water Resources
Water Right License
WATER RIGHT NO. 34-14032

6. This right is for the use of trust water, and it is subject to review 5 years after its initial approval, April 30, 2009, to re-evaluate the availability of trust water for the authorized use and to re-evaluate the public interest criteria for reallocating trust water.
7. Use of water pursuant to this right is either non-consumptive or the right holder is required to provide ongoing mitigation to offset the depletion of water resulting from the use of this right. Regulation of this right to satisfy the minimum stream flow water rights in the Snake River at Murphy Gage shall not be required.
8. This right does not grant any right-of-way or easement across the land of another.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 29th day of November, 2016.
