Dear Mr. Marley,

I received your comments on Transfer 81090, in the name of Idaho Water Company, on August 18, 2016. I appreciate the time that you spent notifying me with regards to the reasons why you oppose the transfer. I take the concerns very seriously, and will address them as part of my analysis.

Per our phone conversation in early September, I have enclosed the amended transfer application for your review. Please notify me of your comments as soon as possible. If I have not heard from you by November 14, 2016, I will assume that you have no additional comment.

As always, please do not hesitate to call me. I understand that these forms can be somewhat difficult to interpret. I would be glad to speak with you in detail about what the applicants are proposing.

Sincerely,

Cooper Fritz
Water Resources Agent
