Dear Applicants,

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

However, water right no's. 61-10090 & 61-10264 have not been modified. 61-10090 is located in the SWNE of Township 5S, Range 11E, Section 18. 61-10264 has 3 places of use (POU's) located in the SESW and SESE of Township 1S, Range 10E, Section 31 along with the NWSW of Township 2S, Range 10E, Section 6, Lot 6. The deed that was provided to the Department does not show ownership of the above properties. A refund of \$50 has been requested and will be sent to the payer (MARK BOTTLES REAL ESTATE SERVICES LLC) under separate cover.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the Department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience and cooperation. Please call (208)334-2190 if you have any questions concerning the enclosed information.
