RE: Notice of Ownership Change in Water Right No's: 2-10358 & 2-10360

Dear Applicants,

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

An application to split water right 2-10360 was submitted to the Department on 09/08/2016. The place of use (POU) is on lots 2, 3 & 4 of Mesa View Estates. Your deed shows ownership of lots 3 & 4. Once the split is complete, the POU will reflect the ownership according to the lots and the portion on lot 2 will be split off and become a new water right. Once completed, you will be notified and documentation and maps of the split will be provided.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the Department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience and cooperation. Please call (208)334-2190 if you have any questions concerning the enclosed information.

Sincerely,

Chad Jones
