Transfer Approval Notice

Dear Water Right Holder <and other Interested Persons>:

The Department of Water Resources has issued the enclosed approved Transfer of Water Right(s). Please be sure to thoroughly review the conditions of approval and remarks listed on the approval document.

The Transfer of Water Right(s) is a PRELIMINARY ORDER issued by the Department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless the APPLICANT petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

ANY PERSON aggrieved by any decision, determination, order or action of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Department and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

If the transfer approval includes a condition requiring measuring and recording devices, such devices shall comply with specifications established by the Department. Detailed specifications are available on the Department's home page on the Internet, or you can request a copy by contacting any office of the Department. Please be sure to thoroughly review the specifications to avoid unnecessary costs for reinstallation or modification due to non-conforming or improperly installed devices.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at (208)334-2190.

Sincerely,

 Rachel Neely for.

EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held.
- ii. The final agency action was taken.
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Re: Legal Notice Not Required

Pursuant to Section 42-222, Idaho Code, the Department has discretion to provide public notice as deemed appropriate. The water right changes proposed through this transfer application do not appear to change the effect on the original or hydraulically connected water source or affect other water rights. Therefore, staff review of the transfer application found no cause to require public notice. This application will continue processing without advertisement and be forwarded for approval consideration.

Dear Rachel,

Enclosed on behalf of the Vallivue School District #139, is check No. 010943 for \$125 to cover the existing well proposed on transfer No. 80507 identified by Tag No. D0031999. As pointed out in your email, Department records indicate this well was drilled in 2004 under a \$75 domestic well drilling permit. The transfer application proposes to add this domestic well as a point of diversion to water right 63-2856 for irrigation use. The well drilling fee for an irrigation well is \$200, thus requiring the enclosed upgrade fee.

Thank you very much for your consideration and assistance in this matter. Please call me if you have any questions.

MEMORANDUM

TO: Transfer No. 80507
FROM: Rachel Sommer
DATE: October 4, 2016
RE: Evaluation of Application

Summary of Application Proposal

The following proposal is to be met following a transfer approval in the name of Vallivue School District #139. The purpose of this transfer is to add two points additional of diversion to a water right with a system (63-2856) consisting of one well.

Location of Application Proposal

The proposal is located between Karcher Rd and Homedale Rd, lying east of S 10th Ave. in Caldwell Id.

Summary of Information Submitted

Authority to File:

The property and water right reflects ownership of Vallivue School District.

Water Right Validity:

Right 63-2856 was decreed in the SRBA on 2/6/2009.

Right presumed valid; beneficial use confirmed by aerial imagery from 2015 and 2016.

Injury to Other Water Rights:

No injury to other water rights should occur through this transfer as long as the right holder abides by the amount of water and combined use limitations for each right in this transfer.

Enlargement of Use:

No enlargement should occur under the proposed transfer application. The application proposes to add two points of; no proposal is being sought to change any uses under the above mentioned right. Enlargement is not a concern when adding a new well to the system if action is taken to ensure existing combined use limitations prior to the transfer filing are maintained on any transfer approval issued.

Overlapping POU/POD:

POU overlap – None.

POD overlap – Domestic right 63-10182 is diverted through well D0067389 per the drilling permit.

Local Public Interest:

It is within the local public interest to allow property owners to develop their property as long as their application is processed without issues.

Beneficial Use/Conservation of Water Resources:

The application proposes beneficial use consistent with conservation of water resources in Idaho.

Summary of Application Approval / Denial

The application is consistent with criteria of I. C. § 42-222 and should be processed. Assuming protests are not filed and/or other information does not contradict the above analysis, the application can be approved as reflected by the draft approval.

Dear Lori Graves,

The Idaho Department of Water Resources (IDWR) received the above referenced application for transfer on October 30, 2015. The purpose of this letter is to request additional fees.

1. The above referenced application proposed diverting works includes an existing well identified by Tag No. D0031999. According to the Department's records, this well was drilled in 2004 under a \$75 domestic well drilling permit. This application proposes to add this domestic well as a point of diversion to a new water permit for irrigation use. The well drilling fee for a well requiring a water right is \$200 per Well Construction Standards Rules (IDAPA 37.03.09.045.05.b). Please submit the well upgrade fee of \$125 for a well drilled under those circumstances.

To promote the processing of your water right application, please address and submit all documentation and fees requested above within **thirty (30) days**. If you have questions regarding this matter, please contact me at 208-334-2190.

Sincerely,
