
MEMORANDUM

TO: FILES 75-14735 AND 75-14735
FROM: DANIELLE FAVREAU
SUBJECT: COMMUNICATION MEMORADUM
DATE: AUGUST 19, 2014
CC:

On August 19, 2014, Mr. Eberhard contacted me to request a field exam on his water permits; 75-14734 and 75-14735. Mr. Eberhard indicated that there was a great deal of overlap with the rights and it would be better if someone from the department came to look at the system rather than have him describe it. I told Mr. Eberhard that a field examiner from the IDWR will be in touch with him to schedule the exam. Mr. Eberhard confirmed his telephone number of 208-756-4137 and that mornings between 8 and 9 am are the best time to reach him. Mr. Eberhard will be on vacation September 2 -10, 2014 but should otherwise be available.
