PROOF DEFICIENCY LETTER

RE: Permit No. 94-7560

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit. I am returning the form to you because information provided on the proof form is not sufficient or incomplete. Please address the following items on the form:

- Item no. 6 of the proof form is incomplete.
- Please submit the required \$50.00 License examination fee.

The license examination fee was not submitted with the proof form. This permit authorizes a maximum diversion rate of 0.03 cfs (cubic feet per second) from surface water requiring a license examination fee of \$50.00. The Department does not consider your proof received until the fee has been submitted.

To provide you with information regarding the permitted water uses and diversion rate, enclosed is a copy of the permit for your reference.

Please complete the proof form to provide the Department with information about your completed development. Resubmit the completed form along with the required fee at your earliest convenience before the 60 day deadline of **January 1, 2017**, to avoid the possibility of your permit lapsing.

If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
