Hi Hawk,

Yes, there are only two protests for your application. One from the Terteling Co, Inc (Charles Honsinger) and one from Edwards Family LLC (Dana Hofstetter). I'm not sure what is popping up on the webpage, but I confirmed the two protests with our administrative assistant as the only two she received for your application.

I am sorry for the confusion!

Danie,

I saw on your website that there are now 3 protests against my application. I assume this is a mistake, because the protest date has long passed.

Can you please confirm that there are only 2 protests.

Thanks

Hawk
