Attachments: Goldberg Property Mgt. - updated documents.pdf; Signature Block.docx

Hello Mike,

I have attached the documents signed and filed with the state of Utah to show ownership and management authority of the LLC's and trust.

Downey Properties, LLC is and always has been owned by Goldberg Property Management, LLC and Sandra Goldberg was the manager. With the passing of Stanley and Sandra the ownership of Goldberg Property Management, LLC reverted to their trusts and I and Marilyn Tetrack are trustees of their trusts.

I have also attached a signature block prepared by the attorneys to reflect the authority. It was not necessary to change anything on Downey Properties, LLC since the owner of Downey Properties, LLC remains in the name of Goldberg Property Management, LLC.

Hopefully this helps understand the situation.
Let me know if you have any other questions.

I will study with the other water right and get back with you tomorrow.

Thanks for your assistance.
Leon

Hi Leon.

Got your voice mail. Just scan and email me something showing your authority to sign on behalf of Downey Properties, LLC. Let me know if you have any questions. Thanks.
