RE: Application for Transfer of Water Rights.

Dear Blake:

Enclosed for processing is an Application for Transfer for six water rights owned by Tommy C. Waddoups, LLC. Three of the water rights are also concurrently owned by the State of Idaho Department of Lands. The purpose of this transfer is to add an additional point of diversion to the six water rights and to correct the GIS shapefile location for another point of diversion for the same six water rights. I can email the GIS shapefiles at your request.

If you have any questions, do not hesitate to contact me.

Best Regards,

Luke H. Marchant
