Hi, Holly,

Here's the legal for Bonner County Daily Bee.

Please publish the enclosed legal notice on the dates indicated, November 3 and 10, 2016, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready – for 2-column, 8pt, Century Old Style font, maybe close enough to just copy and paste, with very little modification required.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 11/21/2016. Your assistance is always appreciated. It's truly a pleasure to work with you. Thanks very much for all your help.
