RE: Water Right Number 85-10619B **now changed to 82-12266**

Dear Applicant(s):

A review of our GIS mapping system has determined that a change to your water right number was warranted as a result of a basin map adjustment. Your former water right number of 85-10619B has been changed to 82-12266. This will result in no additional changes to your water right itself. A copy of the water right proof report noting the water number change is enclosed for your reference. Please use the new water number provided in any future correspondence.

If you have any questions about the information above, please contact me directly for clarification. I am available by email at kyle.rayworth@idwr.idaho.gov, by phone at (208) 287-4912 or at the address above.

Thank you.

Sincerely,
