Subject: Transfer Applications 79938 (Burnett) and 80534 (Sorensen)

Dear Parties:

I was recently notified by Luke Marchant (attorney for Burnett and Sorensen) that his clients are investigating alternatives to the pending contested transfer applications. Mr. Marchant said it is possible that the alternatives being considered could eliminate the need for the pending applications and asked that the pre-hearing conference scheduled for February 11th be cancelled. He also asked that the hearing tentatively scheduled for mid-April be cancelled.

This email is meant to confirm that the status conference scheduled for February 11th is cancelled. If Burnett and Sorensen find that their alternatives will not work, we will schedule a status conference to move these contested cases forward.

(Jim – Can you please notify your clients of the cancellation. I don't have email addresses for Nate Carpenter or the Babcocks.)

Thanks,
