RE: Ownership Change for Water Right No's: 63-3488, 63-4807, 63-19139 & 63-19140

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient documentation.

The following was either not submitted with the notice or needs some clarification.

- The application submitted to the Department was a duplicate. An Ownership Change application dated August 29, 2016 was submitted to the Department's State Office and processed on September 12, 2016. Upon reviewing both applications, it was determined that no additional processing was needed.

Because the Department cannot process this request at this time, we are returning the application and all attachments. You may submit this form with the required documentation and fees at any time. A refund has been requested and will be sent to the payer (D L EVANS BANK) under separate cover.

Thank you for your cooperation, if you have any questions please contact this office at (208)334-2190.

Sincerely,

Chad Jones
