Re: Contested Application for Transfer No. 81039

Dear Mr. Miller:

In early September, transfer applicants' counsel notified you that the parties involved in this contested matter intend to resolve the issue without the need for IDWR participation. The protestants, however, do believe that it would be appropriate to set a prehearing conference for some time in late November or early December, 2016, in order to ensure that the parties continue to progress in a timely manner toward resolution. If you would please provide possible dates for such a hearing to the parties in this matter, it would be much appreciated.

Very truly yours,
BARKER ROSHOLT & SIMPSON LLP
