Note: If you are not listed as the current owner of the water right in the Idaho Department of Water Resources' records, you must include evidence of ownership of the water right (or portion of the water right) with this form. Evidence may include a warranty deed, quitclaim deed, court decree, contract of sale, etc.

I am the current owner of X all, or part of, the water right described in the Idaho Department of Water Resources' records as Water Right No. 37-444, 37-7636A, 37-2541.

I hereby abandon all, or X part of the water right designated above. This abandonment is intentional and voluntary. I recognize that this abandonment permanently eliminates the right to divert and use water under the water right designated above.

If this abandonment applies to a portion of the water right, please indicate which part is abandoned by describing the diversion rate, annual diversion volume or storage volume, and place of use (include acres if the use is irrigation) and by attaching a detailed map identifying the specific locations.

I hereby abandon my right to irrigate a total of 445 acres under the above water rights and agree to a total combined limit of 360 acres. This does not affect the diversion rate or quantity for any right or the right to irrigate 10 acres under 37-2541 or the right to irrigate 306 acres under 37-7636A
