PROOF DEFICIENCY LETTER

RE: Permit No. 63-34188

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

A \$50.00 license examination fee was also submitted with the proof form. This permit authorizes a diversion rate of 0.50 cfs (cubic feet per second) requiring a license examination fee of \$100.00. Enclosed for your reference is a copy of the fee schedule, and a copy of your permit.

Please submit the remaining \$50.00 portion of the required fee at your earliest convenience before the proof due date of **September 01, 2017** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
