COMES NOW, the Protestant, Earl Warthen, by and through his counsel Honsinger Law, PLLC and, in conformance with and pursuant to I.C. §42-222, and IDAPA 37.01.01, Rule 250, hereby notify the Idaho Department of Water Resources ("IDWR") and the Applicant in the above referenced matter of their Protest to Application for Transfer No. 63-80972 filed by Applicant Ray Robinson.

Protestant has a direct and substantial interest in this proceeding in that the transfer application proposes changes in points of diversion and places of use of water rights that are diverted from the same source from which Protestant diverts water pursuant to valid water rights he holds.

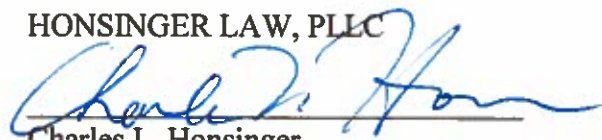

Protestant is concerned that the proposed transfer application may not comply with the

requirements of I.C. §42-222 in that: the changes proposed under the transfer application may injure water rights held by Protestant; and the proposed transfer application proposes to make changes to water rights that may be subject to forfeiture under I.C. §42-222, or that may result in enlargement pursuant to I.C. §42-222.

Protestant proposes that, should IDWR or the parties determine that all or any portion of the transfer proposed pursuant to the above-captioned application be limited or denied to meet the requirements of I.C. §42-222 and/or other concerns raised by Protestant, such limitations be imposed and/or such denials be issued.

Dated this 3rd day of October, 2016.
