RE: Applications for Transfer of Water Right No.s 25-14335 & 25-14337.

Dear Blake:

Enclosed for processing is an Application for Transfer submitted by Foster Land and Cattle to move portions of water right numbers 25-14335 and 25-14337. These water rights are currently diverted out of Brockman Creek which is a tributary to Willow Creek. The Application for Transfer proposes to change the point of diversion and place of use for a portion of these two water rights. The current place of use will no longer be irrigated and water will be allowed to remain in Brockman Creek and flow down to Willow Creek where it will be diverted just below Ririe Reservoir.

If you have any questions or need any additional information, do not hesitate to contact me.

Best Regards,

Luke H. Marchant
