Re: Change in Water Right Ownership: Water Right No. 74-956 (Split into 74-956 and 74-16063)

Dear Water Right Holder(s):

We have received and processed a Change of Ownership for a portion of your original Water Right as referenced above. This change of ownership resulted in a split of your original water right.

When a portion of the original water right has been conveyed to another and the original right has been split, a new water right number is issued to the new owner representing their portion of the original water right. Each water right contains only the portion of the original right for each separate owner. The original water right number reflects your remaining portion of the water right, after the change of ownership. Enclosed is a copy of this water right for your records. Please refer to your water right number when corresponding with our office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

If you have any questions concerning this ownership change, or the enclosed information, please contact me at 208-287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".

Re: Change in Water Right Ownership: Water Right No. 74-956 (Split into 74-956 and 74-16063)

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records based on the information received to reflect the change in ownership and has enclosed a computer-generated report for your records.

Your portion of these water rights has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form or you can find the forms at www.idwr.idaho.gov. If you do not plan on changing any items on your water right, then no further action is required at this time.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact me at 208-287-4942 if you have any questions concerning the enclosed information or this letter.

Sincerely,

A handwritten signature in cursive script, reading "Jean Hersley". The signature is written in dark ink and is positioned above the printed name and title.

Subject: additional information or fees for ownership change 74-956
Attachments: 74-956.pdf

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on June 27, 2016. During the review, it was discovered that additional information was needed to complete this request.

According to the warranty deed you provided, you are not entitled to the entirety of water right 74-956. I have attached map that shows your property(in yellow) and the place of use for water right 74-956 (in blue). Unless you have additional deeds that include the properties in question, the Department will need to split water right 74-956. The fees for splitting a water right is \$100 per water right. In this case, the Department would require an additional fee of \$75.

Please send the additional information or fees to: IDWR, PO Box 83720, Boise, ID, 83720-0098.

The Department cannot process the ownership change without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return the ownership change. Thank you.

Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.
