RE: Change of Address Water Right/Permit No.: 43-127A, 43-233, 43-2550A, 43-10160, 43-10161, 43-10162, 43-10163 and 43-11237

Dear Water Right/Permit Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

The water rights remain in the name of Glen and Ada Parke. If Robert Parke is the new owner of the property associated with these rights, a Notice of Change in Water Right Ownership form is needed to update the ownership of the water rights.

I have enclosed a copy of the Department's Notice of Change in Water Right Ownership for your convenience if you would like to have these water rights in Robert Parke's name. Please return the completed form along with the required support documentation and fees to my attention. I will be happy to update our records upon receipt of this information.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions regarding this matter, please call me at 208-287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
