Subject: Permit 63-33496

Darla,

Mary Hill called today saying that she no longer owns that land associated with permit 63-33496. She doesn't know the new owners and has no information to relay about the new owners. Per taxlot data in ArcMap the new owner is Gary and Susan Gribbon 10692 W Colton Ln Eagle 83616.

It doesn't look like anything got developed so it may not be worth pursuing.

Can you please print this email and place it in the file? Thanks.

Cherie
