RE: Applications for Transfer in Response to Unauthorized Water Use.

Dear Blake:

Enclosed for processing is an Application for Transfer that we are submitting for Brad and Cheryl Foster in response to a letter dated November 9, 2015, notifying the Fosters of unauthorized water use. This Application rearranges the place of use for fourteen stacked water rights. The Fosters will dry up the portion of one pivot to cover the more productive ground that you identified in your letter. We have based the filing fee for this Application off of the change in acres which we have calculated to be 23.5 acres. According to our calculations, the diversion rate under these water rights for 23.5 acres is 0.34 cfs. Accordingly, we are enclosing a \$500 filing fee.

If you have any questions or need any additional information, do not hesitate to contact me.

Best Regards,

Luke H. Marchant
