Jim,

IDWR has scanned and added the ownership change documents to the online record for each group of rights (37-481C, etc. and 37-22915, etc.) associated with the Belle Ranch land (formerly South County Estates) per the recommendation of IDWR's central office and legal counsel. These owner change submittals may be withdrawn at this time and a refund of fees requested. If and when IDWR receives some final Quiet Title documentation then appropriate processing will be completed.

Thank you.

Doug Jones

Mr. Laski,

We acknowledge receiving your letter regarding the Fosbury, et al ownerships and will keep it on file with water right 37-481C for future reference. The material has also been scanned and is electronically available under documents related to that water right. You may be interested to review the various documents recently on file under that water right. I have asked Garrick Baxter to write to you regarding the overall situation and you should be hearing from him soon. He did mention that he has some complex issues before him right now, so please be patient

Please let me know if you have any questions. Thank you.
