Dear Permit Holder:

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. A license examination fee was not submitted with the proof form. The proof is not acceptable without the fee.

This permit authorizes a diversion rate of 0.04 cfs (cubic feet per second) from surface water requiring a license examination fee of \$50.00.

Please submit the required fee along with the attached copy of your proof statement before the proof due date to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me.

Sincerely,
