- approval, this water right is within State Water District No. 45-F.
3. T07 The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
 4. T19 Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
 5. R43 The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
 6. S47 The use of water for irrigation under this right may begin as early as March 15 provided other elements of the right are not exceeded. The use of water before April 1 under this remark is subordinate to all water rights having no subordinated early irrigation use and a priority date earlier than the date a partial decree is entered for this right.
