RE: Change in Ownership Water Right No. [35-8944A](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee:** According to the legal description of the Warranty Deed submitted with your application the water right listed above will require a division of the water right in order for the department to complete the ownership change application, resulting in an additional filing fee. Also it appears you purchased property associated with other water rights not listed on your application. Please find a map attached showing the place of use of the following water rights: 1-7126, 35-8101A, 35-8101B, 35-8944A & 35-8944B. It appears all the water rights appurtenant to a portion of your property. Water rights 1-7126, 35-8101A & 35-8944A would require a split so the filing fee for those water rights is \$300.00. Water rights 35-8101B & 35-8944B would not require a split so the filing fee for those is \$50.00. Therefore the total filing fee for all the water rights would be \$350.00; the department has already received \$25.00 so an additional \$325.00 is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

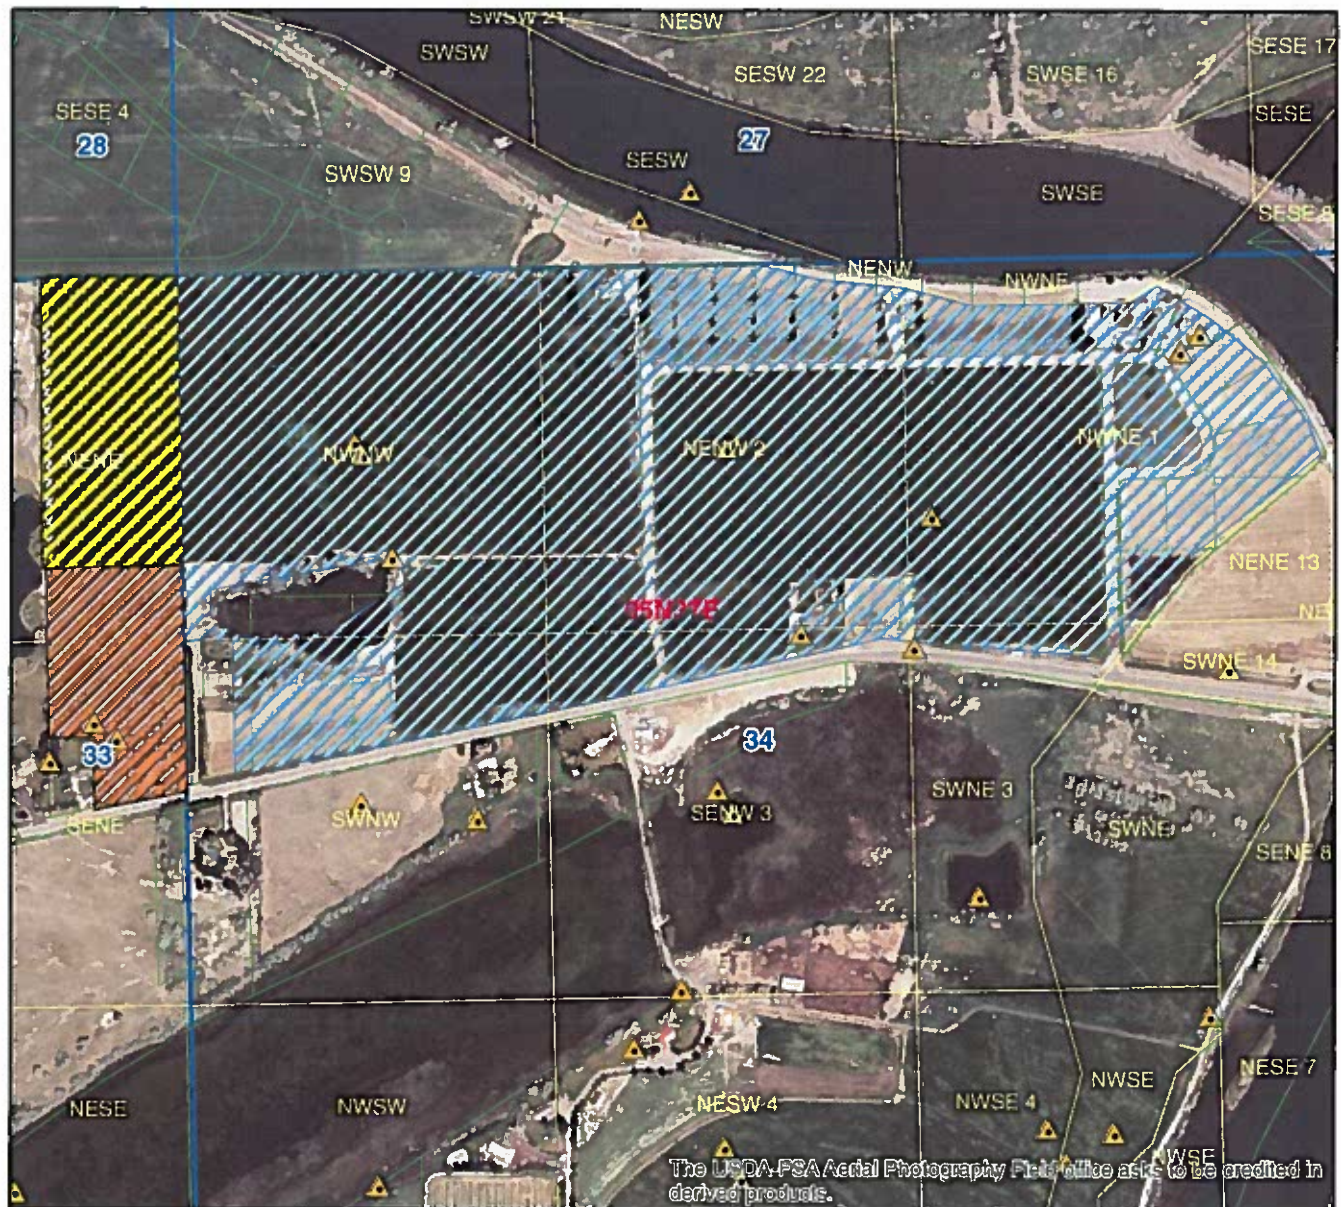

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
